## **To Our Guests**

Commencement is a happy and dignified occasion. It is a meaningful time to recognize the graduates and their families, faculty, staff, and students of Northwest Louisiana Technical Community College. Guests and participants are therefore requested to maintain proper decorum throughout the ceremony by avoiding unnecessary movement in the seating area and by withholding applause until designated times to be indicated in the program. Following the awarding of degrees, the audience is asked to remain seated until the recessional is completed.

We heartily welcome you to the commencement exercises of
