

## **Semi Annual Security Report 2022/Spring**

The Semiannual Security Report and new reporting requirements contain statistics covering **October 2021 – March 2022**. The crime statistics chart includes Clery Act Data and information related to statistics of incidents of power-based violence. It includes but is more expansive than sexual misconduct and Title IX misconduct.

As a best practice in the Board of Regents (BOR) Uniform Policy on Power-Based Violence, crime statistics that appear in RED on the Semiannual Security Report are recommended to be reported as well.

Northwest Louisiana Technical Community College's 2021 Annual Security Report published in fall 2021 contains campus security policies and campus crime statistics for 2018, 2019 and 2020. This data only includes reportable offenses required by the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act or 'Clery Act'.
