

Northwest Louisiana Technical Community College- Chancellor's Data Report Narrative Spring 2024

The April 2024 Chancellor's Data Report reflects the number of Responsible Employees at Northwest Louisiana Technical Community College (NLTCC) and the number of Responsible Employees who completed the Board of Regents' Power Based Violence training.

In fall of 2023, a total of 110 Responsible Employees completed the training for 100% completion rate. NLTCC currently has 3 confidential advisors for the college. The Confidential Advisor training was also completed at a rate of 100%. The new campaign for 2024 has begun and is currently at 33% of 122 Responsible Employees completed.

All active employees are enrolled in Power Based Violence training and sexual harassment prevention training.
