

Semi Annual Security Report
2022/Fall

The Semiannual Security Report and new reporting requirements contain statistics covering **April 2022 – September 2022**. The crime statistics chart includes Clery Act Data and information related to statistics of incidents of power-based violence. It includes but is more expansive than sexual misconduct and Title IX misconduct.

As a best practice in the Board of Regents (BOR) Uniform Policy on Power-Based Violence, crime statistics that appear in **RED** on the Semiannual Security Report are recommended to be reported as well.

Northwest Louisiana Technical Community College's 2022 Annual Security Report recently published contains campus security policies and campus crime statistics for 2019, 2020 and 2021. This data only includes reportable offenses required by the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act or 'Clery Act'.
